

# INDIANA ALLIANCE ON PRENATAL SUBSTANCE EXPOSURE

**FISCAL YEAR REPORT  
JULY 1, 2023 - JUNE 30, 2024**

## OUR MISSION

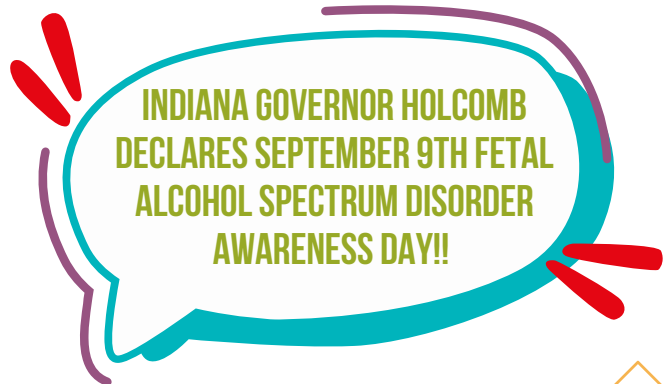

Indiana Alliance on Prenatal Substance Exposure works to prevent prenatal exposure to alcohol, drug and other substances known to harm fetal development by education, advocating and supporting professionals, policymakers, families and individuals throughout Indiana.

# 1,318,034

**TOTAL REACHES ACROSS ALL MEDIA PLATFORMS**

Governor Eric Holcomb signed a proclamation declaring the 9th day of the 9th month, symbolizing the nine months of pregnancy, a day of awareness for Fetal Alcohol Spectrum Disorders.

## **ENDORSEMENT PROGRAM FOR PROVIDERS**

Indiana Alliance has been extensively working on an Endorsement Program for providers featuring learning tracks on the Prevention of Alcohol Exposed Pregnancies and FASD Screening & Diagnosis. For the latest information and updates on the program's development and launch, please scan the QR code.
